Certificate Details

Diploma in Multimedia Development   (90% quiz score)

Course Details

This free online Diploma in Multimedia Development course covers the skills and techniques needed to create professional-looking videos, visual effects, motion graphics and animations. The course offers a rigorous exploration of key multimedia tools including Adobe Photoshop, Windows Movie Maker, Adobe Flash, Audacity, Director MX and Adobe After Effects.

The video-based tutorials are delivered in a non-technical and step-by-step manner by the award-winning multimedia teacher Russell Stannard. The Diploma course is ideal for those who want to gain a thorough knowledge and understanding of multimedia development tools and techniques and who want to enhance their career prospects in the process.

Modules and Topics Studied
